Birds on the Ley

Here are some of the birds you can see and hear around Slapton Ley.

To listen to their songs and hear more information about them, call our audio guide on 01548 802315.

It's a local number so you just pay the call charge – if you have 'bundled' minutes it won't cost you anything extra.

Each lasts under two minutes, just dial the main number and then the individual three digit number.
